Continuation Sheet (PTOL-303)

Continuation of 2. NOTE: Amended claims 1, 5-7,10,26, and 27 change the scope of the claims. For instance, claims 6 and 10 did not previously claim the tampon comprise glycerin in an amount between about 0.1 grams to about 20% of the total weight of the tampon. The examiner had not previously considered this limitation. The amended claims change the scope of the claims, and therefore require further consideration. Additionally, applicant's arguments are based on amended claims that will not be entered, therefore the arguments are nonpersuasive.
